In response to the Court's order (Dkt. 165) the United States hereby states that it has no objections to the Court's proposed jury slideshow, but respectfully requests that FBI Special Agent Julie Delgado be added to the list of prospective witnesses.

FBI SA Delgado was not included in the Joint Pretrial Conference Statement filed on March 10, 2025, Dkt. 156, but the government disclosed her name to defendant Wenger as a potential witness within ten days on March 20, 2025. SA Delgado was one of two FBI agents present at an initial manual review of Wenger's phone following the execution of a search warrant in March 2022, as described in

1 discovery provided to defendant Wenger in January 2024. SA Delgado remains assigned to the San
2 Francisco Division of the FBI. The other FBI agent (Alexandra Cabrera), who is listed as a potential
3 witness in the Joint Pretrial Conference Statement, has relocated to Washington, D.C.
